

Hey Parents!
Looking for a really fun way to
get involved at PHS?

GRADNITE 2010

invites you to be involved in this once-in-a-lifetime event for this year's graduates!

GradNite is a drug and alcohol-free all night celebration for all PHS graduates.

They will never forget this night, and if you are a part of it, neither will you!!!

You don't need to be a senior parent to be part of GradNite. Whether you've got a flair for design, or like to scrapbook, or perhaps just love food, GradNite has a spot for you.

Sign up now and help ensure that the PHS GradNite tradition continues for years to come.

- ENTERTAINMENT Committee** This committee is responsible for securing the music and entertainment activities that will be used for the event. Committee members may help during GradNite supervising games and activities.
- HOSPITALITY Committee** Committee members welcome the graduates and staff the check in/check out areas during GradNite..
- FOOD Committee** This committee is responsible for procuring food donations and purchasing food and beverages for GradNite. Food committee members help during the week of set-up and may help staff the popular food and beverage areas during GradNite.
- FUND-RAISING Committee** This committee oversees fund-raising efforts. New ideas and big dreams are always welcomed. Knowledge of Excel and grant writing (*or willingness to try!*) would be very helpful.
- DECORATIONS Committee** Committee members help create and set-up the decorations needed to turn PHS into the ultimate party. Creative minds and artistic ability are welcome, *but not required*. Many, many willing hands are needed!
- PRIZES Committee** Committee members are involved in procuring prizes to be given away at GradNite. If you can bargain and love a great deal, this committee is for you!
- COLLAGE Committee** This committee obtains pictures from parents to create a special and personal (16x20) keepsake collage for each graduate to take home. During GradNite, committee members may help supervise the collage viewing area.
- MEDICAL Committee** This committee handles any medical situations that arise during GradNite and catalogues all paperwork that is required for the event. Generally this committee is best suited for RNs, MDs, or other persons trained in a medical field.
- CLEAN UP Committee** These committee members will come in immediately following the event to assist with clean up.
- SET-UP Committee** These committee members help our Decorations committee get PHS ready for GradNite a few days prior to, and the day of, GradNite. Set-up times are flexible and you can work around other commitments. Lots of volunteers are needed!
