Grad Nite

February 1, 2012

Dear Community Member,

Now in its twentieth year, Pomperaug High School GradNite continues to be special and safe night for the graduating class of PHS. Donations from businesses and organizations in Southbury and Middlebury, as well as from parents of the seniors, have helped to fund this special night for two decades. Together, we all help provide a safe, alcohol and drug free memory for our graduates.

Please consider making a donation now, payable to PHS GradNite. Please remember, as we are an organization which falls under the Region 15 non-profit umbrella, your donation may be tax deductible.

2011 donations ranged from \$20 to \$1000 and as every penny counts, donations are appreciated in any amount!!

In order to provide you with added value for your donation, we invite you to become a **GradNite Panther Partner** with a minimum donation of \$250. As a thank you for your generous donation, we will include your business logo or graphic on our web page, www.phsgradnite.org, with a link to your business website. GradNite website visitors will be able to access your website for an entire year. If you are interested in supporting GradNite in this way, please check the panther Partner box and fill out the form that is included with this letter and return it with your donation. **If the partnership is not an appropriate donation for your organization, please consider making a donation in whatever amount works best for you.**

Our community is especially proud of the renowned Region 15 school system and here at GradNite, we are especially proud of our community members. Thank you for your continued support.

A donation form is included on the reverse side for your convenience.

Sincerely,

The 2012 PHS GradNite Team
