

ATTENTION: SENIOR PARENTS

Each year, the GRADNITE Collage Committee constructs a framed collage for graduates to take home as a special keepsake. These collages are displayed in a designated area during GRADNITE for all to see. The graduates enjoy finding their very own special collage, as well as reminiscing with their friends while viewing other collages.

Help Make the Memorable Events in Your Child's Life A Part of GradNite!!!

Gather **50-80** photos of your senior

- 3x5, 4x6 & wallet size are preferable
- Include photos of friends, relatives, team events, performances, senior photo, etc.
- Color copies on *high quality photo paper* are acceptable.

You can choose to have the Collage Committee create the collage or you can work on it with us or on your own.

Workshops will be scheduled throughout the year for committee members to begin creating collages for photos submitted as well as for parents to get creative ideas or to used as a place to work on their own collage. Parents planning to construct their own collage at home **must** visit one of the workshops To pick up specific guidelines and materials to assemble the collage.

By attending a workshop we are able to account for a frame for your graduate!!!

Stay tuned for workshop dates by checking the GradNite websitewww.phsgradnite.org.

Please note: The committee attempts to use as many of the photos submitted as possible. We attempt to return unused photos to students when they attend Granite but there is no guarantee for return of all photos.

We will also need a separate picture, no larger than 4 x 6 for the "**Name the Classmate**" display. A kindergarten, 1st or 2nd grade photo is best. Please designate this photo as "**contest photo**" with the senior's name on the back of the photo. This may be a paper color copy, as this photo **will not be returned to you.**
